| A NOTE FROM RED | | | | | | | | | | | | | | | | | | | |
| I've been home from the hospital for two weeks now. Every day I feel a little better and getting a little stronger. Sue and I want to thank everyone for the visits, cards, telephone calls, and prayers during my surgery. Your friendship during this time to myself and my family is greatly appreciated. | | | | | | | | | | | | | | | | | | | |
